Since efforts of the AIIMS to get this portion of the fhillah covered through concerned Civic Bodies under Delhi Administration did not yield any result, the AIIMS authorities entrusted the job of covering the nalah to the C.P.W.D. as a deposit work in March, 1987. In October, 1987 it was seen that the work on collection of hydraulic data etc. was in progress and it would take considerable' time for actual start of work at site. Therefore the amount deposited with the C.P. W.D. was withdrawn to be used elsewhere. It is now proposed to make a provision for this activity in the Vffith Plan and the estimates for the same have been asked from C.P.W.D, which is collecting the data.
